

# A MERRY CHRISTMAS TO ALL

## Lemon Grove Review

VOL. 6, NO. 18

LEMON GROVE, CALIFORNIA DECEMBER 24, 1953

10c Per Copy

### The MASON LINE

by Chan Mason

There's another virile manufacturing business in Lemon Grove that's attracting attention beyond the confines of the community boundaries. It's Wire Products Company at 7580 North Ave.

Birger Haugdahl, owner and operator, is in the process of manufacturing 30,000 metal tie hangers for a Los Angeles firm. These are the gadgets advertised on Los Angeles channel 13 on the Al Jarvis show. They sing the praises of these gadgets loud and long, and now, Grove viewers can smirk contentedly, knowing that every one of them is made right here in town. Haugdahl also manufactures 10,000 of those wrought iron ash trays every week. They're seen in the better gift shops.

—ML—  
In an attempt to unscramble the new atomic alphabet, we think L. G. has come up with its own answer to Russia's "C" bomb. The new "K" bomb the Kiwanis Club exploded on the Lions in their recent ball game was utterly devastating.

But seriously, be it Hydrogen or Cobalt, we doubt if chemistry will ever develop anything more dangerous than a blonde.

—ML—  
A large financial institution and the owner of a sizable chunk of business property, along Broadway are playing "footsie."

—ML—  
You can't keep a good newsman from a hot story, and that was the condition which existed last Wednesday when the State Water Pollution Board called a meeting for Michael's. Meeting had to do with a tour of proposed sites for school buildings and the possibility of sewerage for same. William Mockler, editor of several papers in the foothills area rushed in to keep the date with notebook open and pencils sharp but he didn't get to use either. By some slip of the calendar or memory, Bill got there on Thursday, 24 hours after the caravan pulled out.

—ML—  
If you would like to see an example of real community co-operative effort, drop in at the Fire Station and let the boys show off their new floors, cabinets, drapes, blankets and even a new floor furnace. Everyone connected with the Fire Dept. is most appreciative of the many gifts of materials and services donated by local merchants.

Incidentally, the Dept. has been informed by the Board of Fire Underwriters that it will soon reexamine the Department and District to determine its eligibility for a reduced fire insurance rating.

### Helix Alumni Assn. to Have Xmas Party

The Helix High Alumni Association is planning a Christmas party. All members of the alumni and their guests are to meet at the Cuyamaca Lodge at 2 o'clock on December 27.

The Alumni will be offered a choice of activities. For further information call Marlene Foster, HI-6-0605.

The Helix Alumni is planning many activities in the coming year so all alumni who have moved, or changed their telephone numbers since graduation, are urged to contact Carol Kauns for Marlene Foster.

### Santa's First Helicopter Flight to Lemon Grove

About 1500 Lemon Grove youngsters and their parents converged on School Lane Monday at 11:00 o'clock to see Santa Claus arrive for the first time in Lemon Grove history by helicopter.

Santa, plainly visible as he approached the field at several hundred feet altitude waved gayly from the plastic bubble as the youngsters waved and cheered. Moments later the helicopter settled gracefully on the property owned by Tony Sonka north of the Youth Center south of Gold Avenue. The crowd, kept in an orderly condition by the Lemon Grove Fire Department and by elements of the State Highway Patrol under the direction of Bill Howe and the Sheriff's Department under the direction of Deputy Sheriff Will Rigley, were recipients of hundreds of cellophane wrapped candy canes and packages of S and H Green Stamps.

Circling the field in a steep bank the helicopter piloted by Hugh Ramsdall, operator of the La Mesa helicopter service, arrived at exactly 11:00 o'clock as scheduled.

About twenty minutes ahead of the scheduled landing Fire Chief Hensley and his aides, Fred Dixon and Joe White, cleared the field of the youngsters who were running rampant. When Santa emerged from the plane he climbed aboard the small fire department pick-up truck and started distributing the candy. While a battery of photographers stood by to record the arrival of posterity, the youngsters packed in around the truck and the helicopter lifted gracefully into the sky and returned to Joe Eaton's Airport.

The State Highway Patrol performed an outstanding service in traffic control. Bill Howell kept

traffic moving orderly and without confusion. Will Rigley, as usual, stepped into the breach and handled both traffic and crowd problems that were not handled by other elements of the three services.

After passing out the gifts and talking to the good children of Lemon Grove Santa Claus left in Sheriff Rigley's car to visit with Rev. Dan Apra. He was scheduled to go back to the North Pole and pack his Christmas sack after resting at the Apra manse. A cost of bringing Santa in a helicopter was borne by three local business firms: The Lemon Grove Lumber through Steven Vestover; MacMahan's through Don Dolance, local manager, and the Big Ace Market which opened in Lemon Grove through Jim Bannister, its president.

### LETTERS TO THE EDITOR

Dear Mr. Goodwin:  
I wish to thank you on behalf of the County Road Department and myself for getting the people from Cypress Street together so that we would have an opportunity to explain why we believe his street should be widened and improved for the safety of pedestrians and traffic.

It was unfortunate that Mr. Tall, our Traffic Engineer, was not there to explain what the County Traffic Committee study hopes to accomplish on an overall basis for the entire community of Lemon Grove with respect to the school bus route and loading problem.

Despite all that was said or will be said against the improvement of Cypress Streets the facts do not change.

On any urban type of street with a congested population it is not conducive to pedestrian safety to walk in the same part of a street which is also used by vehicles. One fatality in this county costs the community \$90,000.

The question then is — shall about twenty five individuals who object to the removal of traffic hazards be permitted to delay or prevent an improvement which will benefit hundreds of motorists even if Skyline Drive is extended?

Sincerely,  
J. H. Mack, County Surveyor and Road Commissioner

Korea  
Dear Sir,  
The Lemon Grove Review is received and read over on the Islands at Incheon, Pusan and others in Korea and in some towns in Japan like Sasebo, Moji and others.

I'm certainly glad our town is growing. I was glad to see a nice write-up about our shipmate Mr. Hickey and others. I am a member B R number 9 FRA. Keep up the good work. I enjoy reading the paper. I hope to be home soon.

V. Pawlowski  
B. M. C.

### Hospital Gets Preliminary O.K.

Preliminary approval for the cost of \$1,834,000 is available.

Joy to the world.

Two youngsters of the Golden Avenue School choir raise their voices to sing the praise of Christmas and all that it portends. Theodore Rose, aged 10, 3640 Costabella, and Ronald Wright, also 10, 2806 Cypress Ave., both of the fifth grade, sing Christmas carols to set the stage for the on-coming Christmas holidays at Mrs. Lauritzen's Golden Avenue School.

### No Mail Deliveries On Xmas Day

Parcel Post packages and Special Delivery mail will be handled Christmas day by the Post Office but other mail will not be delivered, according to Frenchy Fauscher, local Postmaster.

### LETTERS TO THE EDITOR

Editor,  
Lemon Grove Review:

We wish to thank your news-paper for its excellent efforts to help combat the payment of illegal and improper unemployment payments.

I think you may also find the attached report to the Fleury Committee of interest.

Kindest regards,

Sincerely yours,  
William A. Burkett  
Director  
Dept. of Employment  
State of California  
(Eds. Note: Report to Fleury Committee by Mr. Burkett is on file at the Review office. If Mr. Burkett implements this well developed report with action, the state employment picture is due for a return to reputable stature M. G.)

### Business Meeting Set for Fire Commission

The regular monthly meeting of the Lemon Grove Fire Commissioners will be held January 11 at the Fire House at 7:30 P.M. On the agenda are: One—Financial report; Two—Report of Chief; Three—Review every six months of fire record; Four—Discussion of merit raises; Five—Plans for Departmental outlay to June 1954. A. Additional fire hydrants; B. Fencing of lot at Fire Department.

Anyone who is interested in fire matters may attend this meeting according to Channing Mason, Chairman of the Fire Commission.

A discussion of the effectiveness of the Fire Department and of the leadership of Fire Chief Hensley and the reduction of fire taxes under the Chairmanship of Chan Mason will be part of the discussion during the evening it said.

According to Dr. David Wilshire, one road to success is to get around you better men than yourself. The other road is to get around men better than yourself.

New 100 bed Grossmont Hospital at La Mesa has been given according to Congressman James B. Utt.

Public health service of the Department of Health, Education and Welfare must finally approve plans for Federal participation in the construction costs before the estimated federal share of \$582,300 of the total estimated cost of \$1,834,000 is available.

### Mason Named Head of School Election Group

Fourteen civic organizations in the Lemon Grove School District backed a program earlier this month to aid in the school bond election scheduled for February. At a meeting at San Miguel school, presidents of the organizations appointed the following committee:

Edward Kinyon, Vista La Mesa Civic Assn.; Bert Cosby, Golden Avenue P-TA; Mrs. Pat Cole, Lemon Grove Business Women's League; Mrs. Evelyn Fernald, Lemon Grove Congregational Church and John Landesco, Lemon Grove Kiwanis Club.

This committee selected a General Chairman and chairmen of various committees to conduct the campaign and get information concerning the school election out to all interested voters in the community.

This committee met December 15, and named the following persons to head up the campaign: Chan Mason, Lemon Grove Kiwanis Club—General Chairman; Mrs. Harriet Berquist, L. G. Women's Club Evening Section—In charge of mailing out brochures;

Mrs. Evelyn Fernald, L. G. Congregational Church—To contact community organizations; Mrs. Marge Brown, Mt. Helix Council P-TA—In charge of house-to-house canvass;

Bert Cosby, Golden Avenue P-TA—In charge of telephoning registered voters;

Mrs. Pat Cole, L. G. Business Women's League—In charge of transportation; Mr. Donald Johnson, Lemon Grove Lions Club—This organization will be in charge of fund raising activities.

The P-TA President and the Principal of each school in the district will serve as liaison to assist the Chairmen in charge of the campaign in securing the needed workers.

Representatives of the fourteen organizations in attendance at the first meeting volunteered their help in seeing that information concerning the school building needs and the school election is made available generally throughout the community. These representatives will meet again during January to obtain additional information on the school election and to supply workers for the various committees.

### Requests Dr. Gigliotti for Hi School Board

The Lemon Grove Men's Club held their final meeting of the year Friday at Michael's amid seasonal conviviality. Following a session with the Tom and Jerry bowl the organization heard a report from Ralph Luckenbach, State Highway Department engineer, who discussed access roads for the new Freeway which would be started in mid 1954.

A committee was appointed at Michael's on January 8.

### DIMES TO MARCH ON JAN. 2

The 1954 March of Dimes will get under way in Lemon Grove January 2, kickoff will be an all night telethon on channel 10 and a Lemon Grove telephone number will be televised for local contributors to call to have their donations picked up.

The entire Lemon Grove March of Dimes project is being sponsored this year before by the Kiwanis Club and several events have been planned to attract enough funds to top the \$5,000 raised last year in the most successful campaign in the history of the dimes march.

The telethon will be handled by the Lemon Grove Lions Club. According to Dr. Don Johnson, Lions president, a house party will be held at a member's home and the telephone number at that residence will be used. The number is H6-7529. Thus anyone in Lemon Grove wishing to make a contribution to the polo funds may do so by calling that number and one of the Lions members will immediately drive to the caller's home and pick up his contribution. This event is set for Jan. 2 from 11 p.m. to 3 a.m.

The entire project is being co-chairmanned by Tom Warburton, 1954 Kiwanis president and Chan Mason, chairman of the drive for Kiwanis. The same team headed up the successful 1953 drive.

Warburton pointed out that not only would all contributions by local residents be credited directly to the Lemon Grove fund but one-hundred per cent of everything taken in will go directly to aid poliomyelitis assisting fund.

Some of the events scheduled by the Kiwanis include balloon sales on the eighth and ninth of December, a block of dimes event on the sixteenth, more balloon sales on the twenty-third and finally a dance on the thirtieth. The familiar iron lungs are being exhibited by the local Fire Department with Chief Hensley in charge of that element.

Youngsters' organizations taking part in the various events include the Helix Min Tidiers, Brownies, the Heatherettes, the Lemon Grove, Vista La Mesa and Rolando Hi-Y's and school children of the various elementary schools and the Junior High and Helix High.

For the Lions, Dr. Johnson, Cal Nicholl and Dave Wilshire will be in charge of the television part of the drive. It is suggested that the phone number, H6-7529, be clipped and saved.

All members of the two service clubs will cooperate in putting the drive over, the top leaders of the organizations stated.

with John Dail as chairman to request Dr. Cecil Hardesty, County School Superintendent, to give Lemon Grove representation on the Grossmont High School Board of Trustees. A vacancy exists currently. Lemon Grove, it was pointed out, has never been represented on the Grossmont Board.

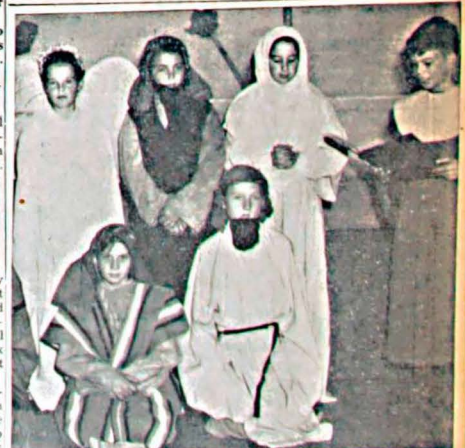

The Committee named Dr. Frank L. Gigliotti and requested Dr. Hardesty to make the nomination.

The next meeting will be held at Michael's on January 8.

Another story of the birth of Christ was staged at the San Miguel School. In the photo above are the following: Billy Leep, 7411 Tweed St., as an angel; Bonnie West, 2835 Massachusetts, another angel; Michael Cook, 7290 Purdue, another angel; Ralph Ayer, 3277 Massachusetts, who represents Joseph; and Judy Gordon, 7630 Central, who pictures Mary.

Such scenes were re-enacted in practically every school in Lemon Grove the week before Christmas vacation.

The Christmas program at Vista La Mesa included a scene of the manger. Fifth graders combined their efforts to bring the story of the birthday of Christ to the pupils of the Vista La Mesa School. Standing left to right are: Molly Danielson, 4003 Charles St., Richard Finch, 3176 Vista, Carolyn Gale, 7207 Carmine, David Geerdes, 4163 Charles, kneeling are: Larry VanPelt, 4038 Marion, and Kenneth Clark, 3465 Vista.

Carlyle Reed, John Batchelor presided over his final meeting as installation of officers will be held at the next meeting set for January 6 at Michael's.

## Four Gals in One Family Swear By Davis

### Rep. Utt Proposes Dependency Advantages

U. S. Representative James B. Utt, representing this district, reported this week that the powerful House Ways and Means Committee of which he is a member, would propose an amendment to allow children to earn over \$600 a year without a resulting loss of dependency credit to the parent and amendments to improve the present systems of filing declarations of estimated tax to relieve approximately a million taxpayers of this necessity.

Rep. Utt said that the tax revision program is one of the greatest legislative undertakings of all time.

### Prize Winning Home Decorates Again

The residence of Edward F. Maczko, 8671 Golf Drive, Brookside, has been decorated for Christmas again. Last year the display won fifth place in the San Diego Junior Chamber of Commerce decorations contest.

This year's decorations are even more resplendent. A candle lined drive-way leads to a scene of the Nativity. Figures were cut

It is a smart mother who sets the pattern for a group of lovely daughters and that's exactly what Mary Ann Trujillo is doing as she does her weekly shopping at Davis Food Center, Broadway and Olive in Lemon Grove.

Mary, whose husband, Sandy works at Lyons Van and Storage, has been in this area for three years and lives presently at 7876 North Avenue.

"We have three daughters. Jo Ann is 18, Patricia is 13 and Sandra is 5. All of them like to shop at Davis. They are home makers by instinct because we all love our home and we also love to get things for our home at Davis. Everything here is so handy. We especially like the pleasant checkers. They are extremely helpful and they contribute to our shopping fun."

Mrs. Trujillo is shown choosing a food ring which will grace her table as part of her holiday festivities. She is a regular user of the huge Davis parking area which covers three sides of the Super Market building.

Davis will be opened Saturday, the day after Christmas, for the convenience of busy home makers who could not get all of their needs filled before Christmas. - ADV.

out and decorated by the Maczko. Unusual treatment of the figures give the effect of realism.

A star pine decorated tree and a spotlighted green and gold tree frame the display and the residence. Santa Claus, his sleigh and reindeer are set atop the house and background music of carols lends to the festive scene.

### Builder Petitions For New Postoffice

A petition was being circulated this week among Lemon Grove business firms asking that the Post Office department consider a location in the 7800 block on the north side of Broadway for the Post Office.

The petition's circulator was Mel Walden, owner of a 50 foot lot next to Hussey's Law Building. Walden is co-owner of the building housing Davis Food Center and he would undertake to do the building himself.

## Tax Picture Brighter--- If You Keep an Eye Open

What the new falling tax regulations will do for Lemon Grove taxpayers was revealed this week in the Wall Street Journal forecast.

Individual income tax rates will drop 10% on January 1st while capital gains tax rate will decline 26% to 25% for individuals. Income rates of corporations are slated to fall 52% to 47% next April 1st. Corporation capital gains tax rate will drop 26% to 25% on April 1st and excess profits tax is slated to die at the end of the year.

The WSJ points out that often there are chances of savings through year-end shifts of income and expenses. Suppose, for example, an individual's income in one year is much greater than the amount he expects to earn in the following year. If he will transfer to the first year as many as possible of the deductible expenses he expects to incur in the later year it will save him money.

Advancing the date of marriage can sometimes result in substantial tax savings. Suppose a groom-to-be with a \$12,000 taxable income plans to marry on January 3rd. If his bride-to-be has no taxable income in 1953, he could change the date to December 27 and reduce his 1953 tax liability enough to finance a swell wedding trip.

He may file a joint return with his wife if he marries in 1953 and his tax would be \$2,850. As a single man his tax would be \$3,796. He would affect a savings of \$938 by marrying a few days earlier.

Taxpayers should check on the earnings of their off-spring in '53. Suppose your son has earned \$575 in odd jobs and he has a chance to earn \$30 during the week before Christmas. His earnings would be over \$600 and you would lose \$600 exemption since he is no longer qualified as a dependent.

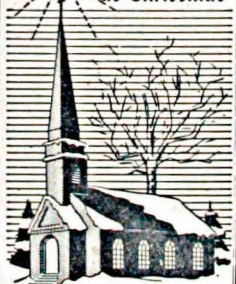

Suppose your taxable income is \$8,000. Loss of that one dependent will cost you \$175 in additional taxes.

Often it is possible for individuals to defer income to 1954. Most persons are on a "cash basis," that is, they include only

the income of the Pacific Telephone and Telegraph Company for an increase in rates.

Previously a motion to dismiss the application for increase was denied.

## Palm Springs Auto Race Set for January

The Sixth Palm Springs Road Race will be staged on the Palm Springs Airport January 23-24.

The two-day meet will have eight races in all, including two Novice Owner events, a Ladies Race, an MG Race and two Main Events of forty-five minutes for Sport Cars to 1500cc, and the Palm Springs Cup Race of one hour for cars over 1500cc and the first five cars in the Desert Trophy Race.

The course will be 2.8 miles with a six thousand foot straightaway similar to last year's, but with many more turns at the north end. This will not only be more interesting to spectators but also a more severe test of

starts at 1 p.m. will be \$1,500,000 new improvements installed since last season.

The third addition to the west end of the grandstand will provide accommodations and added public services to some 5,000 more persons. Racing facilities are augmented with a spectacular new hillside-infield turf course to be inaugurated opening day with a mile-and-a-half race on the grass.

## Santa Anita Opens Saturday

Santa Anita Park in Arcadia, just east of Pasadena and 14 miles from downtown Los Angeles, will usher in the richest-in-the world \$3,100,000 racing program Saturday. To be put on initial display when the gates open at 11 a.m. and the first race

### State Lists Eight Year-end Jobs

Civil service opportunities  
ranging from deckhand to a  
\$12,000 a year medical job were  
announced today by the State  
Personnel Board.

Deckhand, fish and game boat,  
requires one year's experience on  
boats. Salary is \$281 to \$341 a  
month.

Jobs in the control and eradica-  
tion of insect pests will be  
filled from the employment list  
resulting from the economic en-  
tomologist II examination. The  
jobs pay \$376 - \$458.

Senior investigator, marketing  
enforcement, requires four years  
experience in wholesale market-  
ing and distribution of agricul-  
tural commodities. Salary range  
is \$376-458.

Examinations are also sched-  
uled for two medical positions,  
supervisor of rehabilitation ther-  
apies, mental hospital, at \$458 to  
\$530 a month, and physician and  
surgeon III, \$821 to \$1050.

Final examinations on the list  
announced by the board are for  
laundry supervisor and assistant  
laundry supervisor. Their pay  
\$341 - \$415 and \$281 - \$341.  
Additional information and of-  
ficial application forms are avail-  
able at the state employment  
office on Columbia Street in San  
Diego.

Smile... Helix Freshman to his father scowling over his report card: "Naturally I seem stupid to my teachers. They're all college graduates!"

My Helix High... News flashes: Helix, Grossmont, Sweetwater, Mar Vista, Chula Vista and El Capitan are the schools forming the Metro League next year. To all those who crave dancing, there's a dance every Friday night at the La Mesa Youth Center. Next week, and next week only, it'll be on Wednesday night because of New Year's Day on Friday. The bands are usually Bill Russell's or Skitch Phillips. Congratulations to Bill Hire, our new Commissioner at Attorney General and Linda Beale, Commissioner of Sales. It's still not too late to put in your order for your Annual, the Tartan. But after the Holidays it'll be an extra 50 cents.

Holiday Ball—Last Saturday night the Hi-Debbers of San Diego City and County threw their ninth annual "Holiday Ball."

Dance" that was a sure-fire success. It was a semi-formal affair (suits for the guys and formal for the girls) and it was thrown in the spacious Mission Beach Ball Room from 8 till 12. Bob Keene's band provided the swell-listening music and the half-time entertainment was wined (good). Many Helix couples were seen there, like Dianne Gundry, Dick Gardner, Lois Desserick, Bill Bloom, Loy Johnson, Lanny Ross, Lois Leahr, Jim Barrow, Carol Kreger, Bob Turnbull, Jean Lee, R. G. Richardson, Connie Grader, Frank St. John, Naomi Goyne, Gary Eikam, Lorraine Sawyer, Karl Jordan, Bobbie Sable, Jerry Gentillani, Sue Bledsoe, Wayne Sweetwood, Leilana Rose, Jim Sinegal, Judy Nelson, Bob McEneaney, Marjorie Quicker, Don Leggett, Dianne Ely, Richard Conde, Marie Hill, Julius Tuite, Carrie Boyd, Sonny Beyer, Kathy Boyd, Larry Westfall, Claudette Keyser, Dickie Proo, Pat McGilvera, Bob Fields, and last but not still enjoying themselves, Kris Johnston, Bill Wilson. Crazy, yeah?

Contest Time... Let's get a few things straightened. First, the best way to answer this quiz is to call me or let me know in person, since your time is limited.

Second, you have from Friday afternoon to Sunday, 12-noon to answer. Noon is the deadline. Third, the question won't always be on Movie stars, but anything. And fourth, you only get one chance to answer, your first guess is it! Answer to last week's quiz is Tyrone Power. Congratulations to Dr. Lloyd S. Adams, an Optometrist in the Bank of America Building in San Diego. What's the matter you younger ones out there, letting the older folks walk away with the sweepstakes. Looks like the elders aren't so slow after all.

The response to this "Contest Time" was pretty good. Some guys n' gals guessed, Ray Miland, Edward G. Robinson, Tony Curtis, John Wayne, and Douglas Fairbanks, Jr. Good tries! But let's do better, o.k.? This week's puzzle is fairly easy, the first person to give me the answer will win. It goes like this: What is the meaning of Rutile? Does it mean (a) Cross, (b) noisy, (c) shining, or (d) mercurial? Who's going to win this week? Boy or girl? Man or Woman? A Helix'er, Grossmont'er or Lemon Grove Junior Higher?

I wish to take this opportunity to wish each and every one of you a very merry Christmas. And do me a favor! Think of God this

## You own outright a big bunch of farm produce. How you're going to get rid of it—and much more of the same in your future—is discussed here by your secretary of Agriculture

Farmer's Folly?

By EZRA TAFT BENSON  
Secretary of Agriculture

This nation has a serious farm problem.

It does not affect agriculture alone. It is everybody's problem. Today your government has approximately \$5 billions of your money invested in farm commodities.

You own outright more than \$25 billions worth of wheat, corn, cotton and other surplus farm products. You have outstanding loans on agricultural commodities totaling about the same amount. This figure is growing daily.

You are paying more than \$14 millions each month just to store these surpluses. This bill is growing, too, as additional inventories are accumulated by your government.

The losses which your government sustained in disposing of just a small portion of your holdings during the first three months of this fiscal year amounted to \$47 millions.

But, you ask, don't we have a farm program designed to insure agricultural prosperity and prevent the very situation we find ourselves in today?

The answer is that we are operating under the same farm program we had last year and for several previous years. Actually we have strengthened it in several important respects to permit farmers to take broader advantage of its provisions. Existing legislation binds us to a continuation of price supports at 90 percent of parity on basic commodities through the 1954 crop year.

Nevertheless, farm prices have declined steadily from the record

Christmas. Now is the time to pray for world peace, more so than you ever have before; on our Saviour's birthday. Have fun and stay alive! Don't drink and drive!

## Don Schmidt Qualifies as Carrier Pilot

PENSACOLA, Fla.—Qualified as a carrier pilot after six successful landings aboard the light aircraft carrier USS Monterey in the Gulf of Mexico recently is Naval Aviator Cadet Don D. Schmidt, son of Mr. and Mrs. Rudolf Schmidt of 2692 Buena Vista St. He was graduated from San Diego Junior College, prior to entering the Naval Aviation Cadet Program through the Naval Air Station, Los Alamitos, Calif.

The landings completed a stringent schedule in military, academic, physical and flight training at the U. S. Naval Air Station here, "The Annapolis of the Air." A course of instruction in instrument flying at the U. S. Naval Auxiliary Air Station, Corry Field, here, is his next step towards earning the coveted Navy "Wings of Gold."

peaks established under the impetus of the Korean war in February, 1951. During the 12 months immediately before I became Secretary of Agriculture, the farm price ratio slid from 113 to 95

A bad year on crop losses is in store for Secretary Benson reports the Wall Street Journal in a copyrighted story this week. Benson's Commodity Credit Corp. counts on losing \$260 million in farm price support schemes in the current fiscal year. This would be four times last year's loss. Uncle Sam owns 930 million pounds of butter, milk and cheese, holds title to \$2.6 billion of all crops.

per cent. Since February of this year, prices have been more stable than in 1952, averaging about 93 per cent of parity.

This story of declining farm income and mounting agricultural surpluses is the best evidence that our present program is not functioning effectively.

For more than a decade, our farmers have been producing under pressure. To meet the wartime needs of ourselves and our allies, they turned out record amounts of food and fiber between 1941 and 1946. With the end of the second World War, they were asked to provide the commodities required in the rehabilitation of Europe and other sections of the earth. Then came the Korean War, with new and heavy demands for farm goods of all kinds.

Suddenly this situation was radically altered. World food production had been climbing since 1946. By 1952 this was exerting strong pressure in the market places. Our wheat export dropped by one-third in a single year, cotton by even more. Not only had importing nations increased their own production, but they

## Water Pollution Board Gives S.V. 'Poor' Report

There is no easy, economical nor completely safe solution to the sewage disposal problem of proposed schools in the Spring Valley area until that area constructs adequate public sewerage according to Harold E. Miller, executive officer of the San Diego Region Water Pollution Control Board.

The board is a function of the State of California and the conclusion was reached by Miller after inspecting various proposed high school sites in the foothills area last week.

The board's inspection stemmed from a request for preliminary advice and assistance by the Grossmont Union High School in the solution to the district's sewage disposal problem.

Louis Smith, superintendent of the Grossmont district, stated that the problem was general, in his opinion, throughout the valley and that no one site prepared to offer any particular advantage over any other. The board stated that in each case a very high degree of treatment would be required to meet the board's requirement which would necessarily have to be quite restrictive in order to avoid nuisance pollution and public health hazards.

The fact was cited that in addition to two sites proposed for high schools, the La Mesa Spring Valley Elementary district was facing the same problem at three elementary locations and one Junior High School site. The board pointed out that over \$200,000 must be spent by schools alone for sewage treatment if public sewers are not made available. Annual costs of maintaining and operating these independent facilities would add heavily to the total it was pointed out. Even then the problem would not be solved because it would still be necessary to discharge some 185,000 gallons per day of sewage effluent into various locations in Spring Valley.

An effort by a private citizen to sewer the area around Helix Reservoir to protect the public water supply faces the same obstacles since such a plan would have to provide for the disposal of sewage effluent below Helix Dam.

The Pollution Board said that individual requirements would be set for schools at any time following formal application.

## Grossmont Rec. Program to Get Aid

The Grossmont High School Board of Trustees at their last meeting authorized \$500 for a summer recreational program for Helix and Grossmont High Schools. The award was contingent upon cooperation of local and county recreational agencies giving aid.

found that they could supply their reduced needs at lower prices from exporting countries which had no farm price support programs.

Just as many American consumers have turned from butter to less expensive spreads, so have other nations sought cheaper wheat, cotton and other products.

We have learned through sometimes bitter experience that when the farmer is in trouble, there is likely to be trouble ahead for everybody. This year, net farm income is expected to be nearly \$1 billion less than it was in 1952. And in 1952 it was more than \$1 billion below the preceding year. While farm income has been dropping, our total national income has actually increased.

This disparity cannot continue in an economy such as ours. When the farmer can't buy the products of industry, there are certain to be serious dislocations.

## S.D. County to Receive Quarter Million Road Taxes

San Diego County received \$212,895 as its share of the \$5,083,195 apportionment of Highway Users Taxes for the month ending October 31.

Heretofore apportionments have been made on a quarterly basis. Only two counties received more of the fund than San Diego County. They are Alameda County, \$240,000 and Los Angeles County, \$1,616,000.

## Badminton Champs To Play in Tourney

First annual Southern California Municipal Athletic Federation Badminton Championships will be held at Balboa Park gym January 8 to 10.

At least two former national title holders will compete in the championships according to the San Diego Park and Recreation Department.

### Cactus Worms Strangled By New Development

A fungus plant that literally strangles microscopic worms attacking citrus tree roots has been discovered in Southern California orchards by University of California scientists.

Forming a series of loops along its fine, thread-thin branches, the plant lies in wait for the worm-like nematode, which is believed to be one of the causes of the current decrease in fruit size in Southland citrus orchards.

Once a nematode glides into one of the loops, the fungus tightens the noose and slowly strangles the struggling worm. Other fine threads from the plant penetrate the victim and devour it.

### L. G. Woman's Club Notes

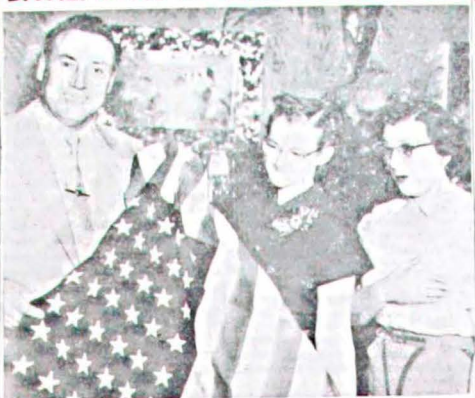

By MRS. FRED SCHENEMAN

A holiday pinata party and open house will be held December 29th at 8:00 P.M. in the Lemon Grove Woman's Clubhouse.

Appropriate Mexican music will be heard throughout the evening.

Mrs. Paul Harvey is chairman and hostesses will be Mrs. David Hentigan, president, assisted by the Executive Committee, which includes Mmes. Charles Furer, H. E. Havens, Charles W. Brown, Hal Crow, Ralph Richardson and A. C. Bourquin.

### B.W.L. Gives in--Asks Masculine Aid

Just to prove that women cannot operate without the assistance of the male, here is direct proof.

Pictured above is Harmon Russell, president of the Business Women's League Masculine Auxiliary, receiving a flag from Mrs. Paul Louer, president, and Mrs. Grant Hadley, Secretary of the Business Women's League.

The point in question is that the Business Women's League operated more or less successfully for several years strictly as a feminine organization. Finally they could hold out no longer and enlisted the aid of a male of the specie. They helped establish a B. W. L. Auxiliary and then proceeded to draw it into the orbit of its operation. With the male element in cooperation the B. W. L. has gone on to higher accomplishments, thus, the above photograph, with president of the Auxiliary Russell accepting the kudos of the organization.

### Free Shows, Free Dinners For Review Readers

Each week a list of names will appear in this column. Three of them will receive tickets to the Grove Theatre. One person will receive a ticket for chicken dinner for two at Richie's Drive In on Broadway.

Winners may pick up their tickets between 9 a.m. and 5 p.m. at the REVIEW office, next door to the Grove Theatre.

This week's lucky readers are:

### Justice Court To Offer No Bargains for Drunk Driving

"There is no place in Lemon Grove where you can get less for your money than in Justice Court for violation of the law which denies the right to drive while drunk."

That is the edict of Justice Court Judge Luther Hussey who viewed rather dimly the prospects of drunken drivers for the holiday week-end period.

"All the law enforcement agencies and all thinking people have tried to impress upon the minds of would-be celebrants the dangers inherent in drunken driving this holiday week-end," Hussey said. A very salient point he made has to do with the driver who is only partially inebriated. "Let two drinking drivers approach each other at an intersection and anything can happen."

We're not so concerned with our local drivers because for the most part they will be indoors celebrating. But the out of towners, those who drive here and must drive away again are the ones who we are most concerned with.

If we must have drinking which seems to be associated with the holiday season, let's have more taxi rides. It is my belief that drinkers will find this cheaper in the long run.

### Jr. Hi Camp Fire Girls Have Full Social Calendar

The Wa-di-ta-ka group of Junior High Camp Fire girls had an Xmas party on Monday, at the Youth Center. Each girl had an escort and the first part of the evening they played progressive Hearts followed by refreshments and the later part of the evening they enjoyed dancing.

On December 22 a white gift Christmas party took place in the cafeteria at San Miguel for all the Blue Birds and Junior Camp Fire girls. The program was singing Christmas carols and dance specialties by some of the girls. The gifts made by the girls will be taken out to Edgemore Farm for the old people.

On December 29 there will be an ice skating party at Glacier Gardens from 10 to 12 a.m. for all Blue Birds and Camp Fire girls. Girls will please contact the Leaders for information.

### St. Philip's Church Notes

St. Philip's Episcopal Church, Palm Ave. and Hardy Dr. Christmas Eve Dec. 24, Holy Eucharist at 12:30 P.M.

Christmas day 11:00 A.M. Holy Communion and Family service.

On Sunday, Dec. 20, at 8:00 A.M. the Daughters of the Kings attended a corporate communion to dedicate a new Chalice and Paten which they gave to St. Philip's. Breakfast was served after the service.

Dedication of the new cornerstone on Sunday, Dec. 27, at St. Philip's. Gift from Mr. Don Rossi. Service at 9:30 A.M.

### Christmas Service For Congregational Church

A Christmas morning service will be held at the Congregational Church at 10:30 it was announced this week.

Rev. Dan Apra suggests that those who celebrate the birthday of Santa Claus on Thursday night might wish to celebrate the birthday of Jesus on Friday.

The service, consisting mostly of carols and hymns, will last about 40 minutes.

### California Man Honored By DAV

Victor F. Marshall, Long Beach, Calif. beach resort concessionaire, has been named recipient of the Disabled American Veterans Citizen Salute of the Month for outstanding assistance to disabled veterans. He is the first resident of California to receive the award. Marshall extends financial aid to needy disabled veterans, employs the war handicapped and is active in hospital and Christmas programs in their behalf.

We are wishing you a most Merry Christmas

### Tricks With Tapioca Puddings

Autumn and winter days are busy ones for the homemaker—when she can be especially thankful for the variety of packaged foods that have done so much to lighten the burden of three meals a day. Take packaged puddings, for example, and packaged tapioca puddings in particular. The modern woman can prepare a creamy, delicious tapioca pudding, in any one of three flavors, in a little more than 15 minutes. Here is the basic recipe, simple and easy to prepare:

**Tapioca Cream**  
1 package prepared chocolate, vanilla or orange-coconut tapioca pudding  
2 cups milk

Turn pudding mixture into saucepan. Add milk and mix well. Cook and stir over medium heat until mixture comes to a full boil. (Mixture will be thin. Do not overcook.) Cool, stirring once after 15 or 20 minutes—mixture thickens as it cools. Turn into serving bowl or sherbet glasses. Chill. Makes 4 or 5 servings.

With this as a beginning there is no end to the lovely desserts that can be concocted. Walnuts or almonds, cut or stuffed dates, figs, prunes, available the year 'round, can be used as garnish, or stirred into the pudding itself. And these are just a few of the possible variations limited only by your imagination.

NOTICE IS HEREBY GIVEN:

That the Superintendent of Streets of the County of San Diego has filed with the Clerk of the Board of Supervisors of said County of San Diego an assessment to cover the sum due for the work performed and specified in the contract, including all incidental expenses, for the construction of sewers and appurtenances in Violet Street, North Avenue, Walte Drive and easements, all as more fully set forth in the Resolution of Intention adopted February 24, 1953, by the Board of Supervisors of the County of San Diego to which reference is hereby made;

That on the 5th day of January, 1954, at 2:00 o'clock p. m. in the Board of Supervisors chamber

in the City and County Administration Building, 1600 Pacific Highway, in the City of San Diego, California, all persons interested in said work or said assessment will be heard by the Board of Supervisors of the County of San Diego, Any person feeling aggrieved by any act or determination of said Superintendent of Streets in relation to said work or assessment, or who claims that the work has not been performed according to the contract, or who claims that any portion of the work was omitted or illegally included in the contract, or having any objection to the correctness of the assessment or diagram or other act, determination or proceedings of said Superintendent of Streets shall prior to said time appeal to the Board of Supervisors of the County of San Diego by briefly stating in writing the grounds of appeal.

## Public Notices

Re the Construction of Sewers in the Lemon Grove Sanitation District, Area No. 23

Resolution of Intention

WHEREAS, Jean L. Vincenz, Engineer for the above Sanitation District, has furnished to this Board plans and specifications, bearing project number 7014, for the construction of a sewerage system in a portion of said district, which are on file with the Clerk of the Board of Supervisors of San Diego County as Document No. 163608, together with careful estimates of the costs and expenses of such work;

NOW THEREFORE, on motion of Mr. Bird, seconded by Mr. Gibson,

IT IS HEREBY RESOLVED

that public interest and convenience requires and it is the intention of the Board of Directors of the Lemon Grove Sanitation District to order the following work to be done and improvement to be made in said Sanitation District to wit:

The construction of sewers and appurtenances in

MOUNT VERNON STREET

between the Southern prolongation of the Western line of lot 48 of Bond Terrace, Map No. 2255 and the Northern prolongation of the Eastern line of Lot 55 of Lemore, Map No. 1459.

EL PRADO AVENUE

between the Southern line of Mount Vernon Street and the Western prolongation of the Southern line of Lot 52 of El Prado Tract, Map No. 1320.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor, bearing project number 7014, contained in Document No. 163608, on file in the office of the Clerk of the Board of Supervisors of San Diego County, and copies of which are on file in the office of Jean L. Vincenz, Engineer of said Lemon Grove Sanitation District and by this reference thereto, all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Board hereby serializes and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more, remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the next October 15th following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year following the next October 15th after their date until the whole is paid. Said bonds shall bear interest at the rate of six percent per annum, interest payable semiannually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911 and amendments thereto.

That the contemplated work mentioned is in the opinion of said Board of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Board does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to wit: All that real property in the County of San Diego included within the exterior boundary lines of said district, as shown upon that cer-

tain map bearing project number 7014 entitled "Plan showing the extent of the territory benefited by and to be assessed to pay the costs and expenses of the construction of sewers in Mount Vernon Street, et al. in a portion of the Lemon Grove Sanitation District, Area No. 23," indicating the exterior boundary lines of such district, which map, approved by the Board, is on file in the office of Jean L. Vincenz, Engineer of said Sanitation District, 4005 Toecans, San Diego, Calif., and a copy of which is on file in the office of the Clerk of the Board of Supervisors of San Diego County as Document No. 163609, excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said map for a particular description of such district.

NOTICE IS HEREBY GIVEN

that on Tuesday, the 12th day of January, 1954, at 11:00 o'clock a. m., in the Board of Supervisors' chamber in the City and County Administration Building, 1600 Pacific Highway, in the City of San Diego, California, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Board of Directors and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

Such protest, if any, must be in writing, and must contain a description of the property in which each signer thereof is interested, sufficient to identify the same, and shall be delivered to and filed with the Secretary of said Sanitation District in Room 308 in the City and County Administration Building. No other protests or objections will be considered.

That the Secretary of said Sanitation District be, and she is hereby directed to cause this Resolution of Intention to be published twice in the Lemon Grove Review hereby designated for that purpose by the Board of Directors.

That the Secretary of said Sanitation District be, and she is hereby directed to mail notice of the adoption of this Resolution of Intention, postage prepaid, to all persons owning real property proposed to be assessed, whose names and addresses appear on the last equalized County Assessment Roll, or as known to the Secretary, all in the time, form and manner required by law.

The Secretary of said Sanitation District shall, upon completion of the mailing of said notices, file with the Board of Directors an affidavit setting forth time and manner of the compliance with the above requirements for mailing such notices.

That the Engineer of said Sanitation District shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open streets within such district at not more than three hundred feet in distance apart on each street so posted; all in the time, form and manner required by law; and thereupon said Engineer shall cause to be filed in the office of the Secretary of said Sanitation District an affidavit showing the posting of said notices of improvement.

All of the herein proposed work shall be done in pursuance of the Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," and amendments thereto.

PASSED AND ADOPTED by the Board of Supervisors of the County of San Diego, State of California, acting as the Board of Directors of the Lemon Grove Sanitation District, this 1st day of December, 1953, by the following vote:

AYES: Supervisors - Directors Gibson, Bird, Robbins, Rossi and Howell

NOES: Supervisors - Directors None

ABSENT: Supervisors-Directors None

STATE OF CALIFORNIA)

COUNTY OF SAN DIEGO, ) ss.

I, T. H. Sexton, County Clerk of the County of San Diego, State of California, and ex officio Clerk of the Board of Supervisors of said County, hereby certify that I have compared the foregoing copy with the original resolution passed and adopted by said Board, acting as the Board of Directors of the Lemon Grove Sanitation

## State Seeking Two Top Men For Assessment Study

Two high-ranking jobs in the statewide study and overhauling of property assessments are open for application, the State Personnel Board said today.

They are positions as principal real property appraiser in Sacramento and Los Angeles with the Board of Equalization. Salary is \$676 to \$821 a month.

The jobs will be filled by a statewide competitive examination. The state wants men with recent supervisory experience in major, complex property appraisals for tax purposes. It hopes to get them from among top men in county assessors' offices.

Applications are available from State Employment on Columbia Street in San Diego.

## Tourist Spending In S. Cal. Drops

Tourists spent over \$400,000,000 in Southern California during November, according to the All-Year Club.

This was a 5.6 per cent drop in spendings compared to last year, and was in line with an All-Year Club analysis that a "buyers' market" is arriving in the pleasure travel business.

The All-Year Club for 33 years has handled the Southland's community touring, advertising and promotion throughout the United States and Canada to bring out-of-state pleasure visitors here and boost local tourist revenues.

Fewer tourists came during November, 241,647 compared with 276,177 a year ago, a drop of 12.5 per cent. Per capita, they spent more, which held the decline in spendings to only 5.6 per cent.

## Christmas Can Be Ruinous—If You Drink and Drive

Christmas, the season of happiness and celebration, was turned into a scene of tragedy for 13 persons who were killed in traffic accidents during the month of December.

Several holiday hazards combine to give December consistently one of the worst traffic records of the year. An important factor is the increase in drinking during a round of holiday parties.

will be represented. This will be the first regional meeting since the World Assembly of Jehovah's Witnesses at Yankee Stadium, New York, where attendance reached 165,829 in July.

Climaxing the Bible education program, on Sunday the District Minister, Mr. Lyle Reusch, will speak on "What Is Your Destiny?" Mr. Reusch was a featured speaker at the Yankee Stadium Assembly. Educators and Bible students of all denominations are invited to hear his comparison of

San Diego County residents and their families last year. These persons were killed in traffic accidents during the month of December.

# Final Word on Service Club Ball Game Comes From Victors

Many citizens' eyebrows have been raised since the most recent Kiwanis baseball game. The Lions have called in every-

body including Dr. Cal Nichol, the eminent eye specialist, Dale Carnegie, the psychiatrist and even Dr. Kinsey but the fact remains that the Lions took a wallop in the Charity baseball game two weeks ago. As a post-mortem a letter of explanation was sent from Kiwanis president, Byron Netzel-

to Lion president, Dr. Donald Johnson with a comprehensive explanation as to what actually happened and the reasons for same. The letter follows: Dear Don: President, Lemon Grove Lions Club 7854 Golden Avenue Lemon Grove, California

welfare of youth was placed on the auction block. Kiwanis came through to win, like the great thoroughbreds that they are. As so often happens on the field of battle, when the going gets rough the brave and mature men lead the way, while callow and dissolute youth falters and fails.

We want you to know, however, that we are not ungrateful, because the faltering play of your alleged ball team offered just enough competition to provide a good workout for the great Kiwanis Club. We offer one word of hope and encouragement to your group. Since they are young, perhaps with a supreme effort they can mend their ways and adopt a program of clean living and, who knows, some time in the future they may be able to arise from defeat and win another ball game.

We hope that this bitter lesson will serve as an inspiration and that as you face the New Year your men will pull themselves up by their boot straps and once again be able to provide some real competition for the GREAT KIWANIS BALL TEAM. In deepest sympathy, Byron L. Netzel President

## You Be the Judge

### EQUAL JUSTICE

You would really feel hurt, wouldn't you? for a court to decide your neighbor's case one way last week, and this week to settle yours—one just like it—another way? Especially as he won his case and you lost—on the same kind of facts.

You say: "If it was right to settle my neighbor's case last week one way, then, mine should be settled this week the same way."

And you would be right. Justice is not just settling disputes, punishing guilty people, or protecting the innocent. That's an important part of it. But we also want laws to apply to all alike.

Well then, you would want the judge to study similar cases before making up his mind about your case.

And that's exactly what judges do!

### Precedent

That's why, when you look in on a trial, you will see lawyers getting up and reading out of big books to the judge. They are, as they say, citing cases, or quoting "precedent." They are saying, in cases like the present

one—previous courts have held the law to be thus and so. A judge does not have to agree with either lawyer. His job is to hear both sides and make up his own mind. The lawyers are stating what they think should guide him in making decisions.

Perhaps, after a trial, especially a trial where both parties have waived the jury, the judge will ask the lawyers to "submit their case on brief." To do so, a lawyer sets out the facts in his case to show how judges in like cases used rules of law favoring the lawyer's client.

Lawyers for both sides do this and exchange their briefs. Then the judge decides. In his decision he finds one or the other party had the most reasonable and pertinent cases cited on its side. The new case itself may be quoted in turn on future occasions in other trials.

## New Driving Program at Grossmont

A step that may well change the temper and temperament of California drivers is under way at the Grossmont High School. The Grossmont trustees last week decided to increase the amount of behind the wheel training from two hours for every student to six hours.

In addition to driving instructions development of attitudes of courtesy, consideration and respect for the other fellow as well as for one's own life and property is an important part of the program. The board rejected an alternative of offering no behind the wheel training whatsoever. The increased time requirement by the State Dept. is the result of recommendations made by the state and national study groups on Driver Education and Training. This will enable the course to include driving in traffic. Under the two hour program the driving has been restricted to the school grounds.

Increased cost of the new program will be reimbursed from special state funds earmarked to stimulate the driver training program.

In order to provide 6 hours of behind the wheel instruction for all students the district would need 6 dual control driver training cars. At the present 2 cars are in operation. The operation of one car for a year costs approximately \$4,000, stated Lewis F. Smith, District Superintendent.

## State's Champions Both Are Winners In National Wool Sewing Contest

Best in the West—California's junior and senior home sewing champions model fashions which won them top National Awards in the "Make It Yourself with Wool" Contest. The girls are Diane Harris, 17, of Montebello, the junior title-holder. Appearing with outstanding sewing experts from other states, the Californians modeled their own home-sewn fashions in the National Fashion Show—climax of the annual contest—held this year in the Municipal Auditorium, Long Beach.

LONG BEACH.—Two young California women, already holders of the state's junior and senior home sewing titles, have captured top awards in the National Finals of the seventh annual "Make It Yourself with Wool" Contest.

The young women are Miss Carla Black, 21, of San Lorenzo, the state's senior sewing champion, and Miss Diane Harris, 17, of Montebello, the junior title-holder. Appearing with outstanding sewing experts from other states, the Californians modeled their own home-sewn fashions in the National Fashion Show—climax of the annual contest—held this year in the Municipal Auditorium, Long Beach.

Miss Black was named Grand Prize Winner in the Senior Division, and will receive a \$300 scholarship presented by the Forstmann Woolen Company. Miss Harris is the recipient of the special scholarship award presented each year by Colorado Woman's College, Denver. The award is presented to the National Finalist whose home-sewing skill and academic standing in high school are adjudged to be outstanding.

Miss Black wore the three-piece ensemble which she designed and made to win the state's senior sewing championship. The award-winning fashion is styled in a novelty wool fabric of striped tweed by Forstmann and a solid oxford gray Capri flannel.

Miss Harris displayed the black and red tweed dress which won her California's junior sewing title. Urban smart, the dress has a four-piece skirt with box pleats at the sides of both front and back. Solid red flannel extension detail is featured at the neckline and on the cuffs of three-quarter length sleeves.

Designed to create interest in the art of sewing at home with virgin wool fabrics, the "Make It Yourself with Wool" Contest is held in all states of the Western wool-growing empire. It is open to girls from 14 through 22 years of age. Those from 14 through 17 enter the junior division; those 18 through 22, the senior division.

The 28 state champions appearing in the National Fashion Show were selected through area and state eliminations. They received all-expense-paid trips from their homes to the National Finals, to be guests at the 39th annual convention of the National Wool Growers Association and to participate in the National Fashion Show. They traveled as guests of the F. W. Woolworth Company.

The California Wool Growers Association sponsors the contest each year throughout the state, with the cooperation of the Women's Auxiliary of the National Wool Growers Association and the Wool Board.

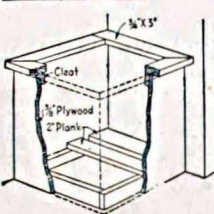

## Quality of Exterior Paint Job Depends On Surface

The condition of the surface under an exterior paint job determines the appearance and durability of the paint. The general rule is that the surface should be clean, dry and smooth. Here are some tips from Home Modernizing on how to get that kind of surface:

If the old paint is only slightly rough, sandpaper will do. A putty knife will effectively scrape away small areas.

## Simple Plywood Box Makes An Attractive Planter For the Home

Plants brighten any home—but often routine care of a plant creates an unattractive mess. The built-in plywood box below, from Home Modernizing magazine, ends that problem.

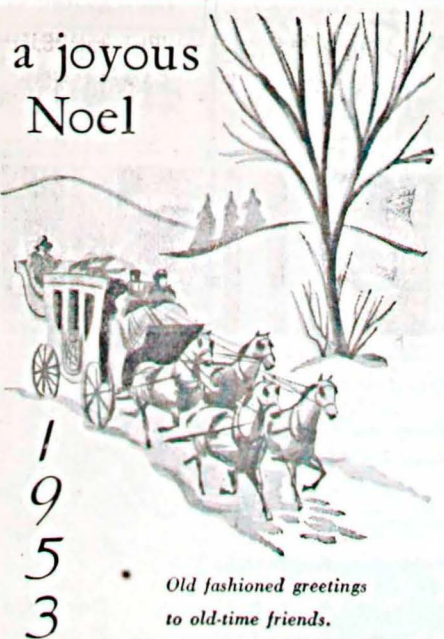

Construction details are shown in the drawings at the left. Dimensions are determined by the size of the plant tub and the receptacle (a garbage can is ideal) in which it sits. The plant tub should be raised above the bottom of the garbage can—here done with bricks.

## Innocent Victim

This baby contracted pulmonary tuberculosis because his father had TB and didn't know it—didn't know he was spreading TB germs to his loved ones. The case was discovered as the result of a chest X-ray survey supported by Christmas Seal funds. The Christmas Seal Sale to raise money to fight TB is being conducted by the tuberculosis associations from Nov. 16 through December.

Old fashioned greetings to old-time friends.

## State Changes Test Procedures For Office Help

California Department of Employment, this week, was relieved of giving civil service tests for typing, stenographic and clerical jobs in state government.

From now on testing and referrals will be handled by the State Personnel Board in Los Angeles, San Francisco and Sacramento only. Heretofore typing tests have been given in approximately 100 Department of Employment offices and 30 of the offices have conducted the required written examinations also. It is possible that the new testing arrangements may be worked out early next spring.

The new setup will not effect the department's continuous function of giving out information about state government employment opportunities in general. All employment offices keep information on file about current civil service examinations and supply application blanks.

## Civil Defense Notes

By Charles Gurley

Instead of telling you more about vacant C-D jobs it was Dr. Frank Gigliotti's idea to wish everyone in the community a Big Merry Christmas and a Bountiful New Year and especially to all those who have worked so well for Civil Defense.

"Right now we all join with President Eisenhower in the hope that his plan for the peaceful development of the atom will meet with tremendous success and that the coming Big Four conference will join in an agreement of

## ROW OVER GERMAN COURT JOB

## Two Local Women Win Radio Prizes

Keen hearing, concentration, good memory and fast shorthand

have combined for two Lemon Grove women to win an assortment of merchandise prizes on the morning program "Arc of Listenin'" over KBIG, the Catalina station. Stu Wilson, disc jockey, broadcast a challenge to his listeners to write him an accurate list of all his announcements and musical numbers during the two-hour show. Sending him 100% accurate lists and claiming their rewards as a result, were Mrs. L. J. Pugnaire of 7318 Pacific and Mrs. V. Ya Listenin' of 7545 Mt. Vernon. "Arc of Listenin'" is broadcast Monday through Friday from 10:00 a.m. to 12:00 noon.

Next week: We will announce the name of an important man who has been appointed to one of our most important jobs.

## MOTHER FROWNS ON YOUNG LLOYD'S ROMANCE

PLANNING TO WED New Year's eve, Marina Cisternas (left), 26, actress and model, says she has "done everything in my power" to overcome objections by Mrs. Harold Lloyd, wife of noted film comedian, mother of Harold Lloyd, Jr., 22, to proposed Los Angeles ceremony. Young Lloyd and mother are at right. He now is an Air Force sergeant. (International Soundphoto)

## 'Platter Parade'

By BOB TURNBULL

"Creep"... anybody who can't "creep" is strictly square as far as my books are written. What's a "creep"? You mean to say you haven't heard Kenton's (Stanley by first name) latest? Yeah, the "creep". Well, for you information its the newest dance craze. An imported English tune, with a slight Kenton touch, it has all the possibilities of being a bigger fad than the "bunny hop."

Record Poll... Tops in 'pops' this week: Top five popular records at Helix: "Rags to Riches," Tony Bennett; "Stranger in Paradise," Tony Martin; "That's Amore," Dean Martin; "Eh Cum-pari," Julius La Rosa; (and at last) "Gee," by the Four Crowns on Rama recordings (My favorite song). Top three classics this week at Helix: "Victory at Sea," R. R. Bennett and the NBC Symphony Orchestra; "Overture-1812," by Tchaikowsky; and "Concertos For You," Liberace and Paul Weston's Orchestra. Leading pop this week at Helix: "Cou-Maneh," Max Roach and "Oh Honey," by Gloria Wood. The gal that sang (?) "Hey Bell-boy," New 'n' Different: "The Creep," by Stan Kenton.

Top Christmas Sellers (novelty): "Santa Baby," Eartha Kitt; "Christmas Dragnet," Stan Freberg; and "All I Want for Christmas is a New Upper Plate," by Spike Jones and his City Slickers.

## Big Table Set For Annual Fire Dinner

The Firemen's Annual Christmas dinner at the fire station Sunday was enjoyed by all.

A turkey dinner with all the trimmings was served to about 70 persons. Among those present were Fire Commissioners Mason, Tilton, Parsons, their families and honorary Auxiliary member Mrs. Mildred Huebsch and Mr. Huebsch.

The firemen with the help of the Auxiliary planned the dinner under the able direction of Lt. Fred Dixon. The Fire Lassies decorated the tables with red candles and poinsettias.

Santa Claus paid the children a surprise visit and distributed gifts to all.
